The Georgia Williams Trust

Free your spirit – join in

Charities spring up for many reasons all over the world but we believe The Georgia Williams Trust is just a little different. We are a charity dedicated to providing a lasting long term legacy to an exceptional young lady. Georgia suddenly and unexpectedly lost her life at the end of May 2013 and her spirit has touched not just her own community but people all over the world. With the money raised we will celebrate Georgia's life by enabling young people in her community to access adventure, outdoor activities and volunteering.

The aim of The Georgia Williams Trust is to get young people believing “they can do”, enabling them to have access to adventurous outdoor activities and encouraging them to volunteer. Get out and fly a plane, canoe down the river, climb a mountain or trek up the Wrekin. We will use the Trust fund to get that spirit going and keep it going, she'd love that so “Free your spirit – join in”.

The Georgia Williams Trust is honoured to be The Respect Partners with the Shropshire Junior Football League as it's most apt that we also promote respect in our Trust – this is between others in every way – not just in sports, but in everyday life. The Trust aims to help children and young people from the ages of 11-18 reach their goals in life and looks at how we can get these people involved in as many ways as possible – and perhaps achieve something they didn't think possible.

This is an inspiring venture for both the Trust and League and we are pleased SJFL's badge and that of the GWT are entwined as Respect Partners and the league's **'Respect Awards'** are branded **'The Georgia Williams Trust - respect Awards'**.

SHROPSHIRE FA COMMUNITY AWARDS 2017

The FA Community Awards, presented by McDonald's, aim to recognise and reward people across the country that make a difference to grassroots football in their local community – the people who dedicate their time and commitment to developing tomorrow's young talent and help ensure safety and best practice in thousands of leagues and clubs up and down the country. Grassroots football is at the heart of the national game and we're delighted that The FA and McDonald's give us the opportunity to recognise these leagues, clubs and individuals with the Community Awards.

SJFL also provided a ninth Respect Futsal Festival (and U7/crèche introduction to Futsal) for 70 teams, 134 fixtures over 650 players participating within the league's CS player development programme. The League is honoured to have 'Respect' partnership with Georgia Williams Trust that promotes respect not just in football but also the wider community. FA Silver Respect Accreditation in 2013 (reaccredited in 2015). Being the 'first' FA CS League (2009) SJFL continues to be at the forefront and was the First county league to implement Respect Marshalls and have collective responsibility to create a fair/safe/enjoyable environment in which the game takes place. STITC support match-day Respect sponsorship (U8–U11s) and reward the league's monthly winning respect team with match-day vouchers for home games at STFC (in partnership with STFC/SFA). SJFL is committed to inclusivity/eliminating all forms of discrimination and delivered 'Kick It Out' campaign at its Futsal Respect Festival and was honoured in 2016 at the Mayor of Shrewsbury's Awards - receiving Gold award to SJFL in recognition of their achievements towards enhancing the wellbeing of young people in the area with excellence in their volunteer workforce contributing to the league's successes. Since the new millennium SJFL has raised over £25000 and gifted 55 charities.

SJFL promoted Kick It Out Campaign Day held at the Shrewsbury Sports Village as part of the Shropshire Junior Football League's Futsal Respect Festival, in partnership with the Georgia Williams Trust, Shropshire FA Youth Council, Shropshire Football Association and Sportsjam. It was a great opportunity to promote and raise awareness of the 'Kick It Out' campaign and was a fantastic success with over 100 players, managers / coaches and supporters uniting together in this event. The Kick it Out Campaign aims to deliver the message of inclusion and anti-discrimination within the football, educational and community sectors encouraging inclusive practiced and work for positive change. Shropshire FA Youth Council were delighted to partner the Shropshire Junior Football League and Georgia Williams Trust to support the delivery of their Kick It Out. Players also received badges, arm bands, wrist bands and other promotion material as a reminder of the day and the importance of Kick It Out.

FA CHARTER STANDARD COMMUNITY CLUB OF THE YEAR

Shrewsbury Juniors FC (Winners)

Shrewsbury Juniors celebrates its 40th anniversary this year and are putting on a number of events to celebrate, including a evening dinner party with Paul Merson the celebrity guest. The club continues to provide football for all, with 30 teams for boys and girls, also adult's men's and women's teams. The club continues to start new teams, if the demand is there, and 25 boys and girls completed a JFL (Junior Football Leaders) course. These leaders help and support club events and this season they've run two crèche festivals where these young leaders have refereed. The club invests in all the coaches, supporting them to achieve their own goals through qualification. Investing in young referees, where the club appoints them to club games and then supports them in officiating league games. Shrewsbury Juniors Football Club is run by a committee of 15 members and these volunteers work tirelessly to provide football for all.

Press Club FC (Runners Up)

Prees Junior Football Club has over 200 boys and girls playing football. The boys section is running a crèche and has teams from u8 - u16s. The U16s, who've been together since crèche, have players completing FA Level 1 coaching badges and helping with crèche, other teams and also refereeing. The Girls section is also thriving with three teams (next year we will add u14s) and

this year the club will hold its second annual girls tournament, where all monies raised go to various charities. The annual tournament for boys is also well under way. The Club has a dedicated committee to ensure that the club will be around for a long time and encourages all our players to get involved in supporting the club, completing courses and giving something back to the club. PJFC is a community club and is a little piece of paradise in the countryside where everyone is always welcomed regardless of their ability and we have children who just come to train.

FA CHARTER STANDARD DEVELOPMENT CLUB OF THE YEAR

Shrewsbury Up and Comers FC

The Club has transformed itself over the 2-3 years, in terms of its new structure and what it delivers to its members. The re-structure has allowed the club to change its ethos and community profile to a much more outward looking club. The Club Development plan focuses on both quality of experience given to players, and in terms of growth in the numbers of children being catered for. The club have worked with local schools and formed alliances with exterior organisations (Energise Shropshire, SCAT and Passmaster) that have allowed them to form partnerships which has seen an unprecedented growth in the amount of players being attracted to the Club with the continual focus to Girls football as well as Mini soccer and Minor League. Key areas include: attracting children in the 4/5 age group and give them 2 years of high quality coaching in a fun, safe & friendly environment before they begin development football at U7/8.

SAFEGUARDING CHILDREN

It is the aim of the Shropshire Junior Football League (league) to ensure that every child or young person who plays football within this 'league' should be able to participate in an enjoyable and safe environment and be protected from abuse. A child or young person is anyone under the age of 18 engaged in any footballing activity (including match officials).

All adults associated with this 'league' are to safeguard the welfare of all players and where possible protect them from physical, sexual and emotional harm and from neglect and bullying.

In striving to attain this 'The League's' aims are as follows:

- To ensure that the child's welfare is always considered as paramount.
- All young people involved in football have a right to be protected from abuse and harm regardless of their sporting ability, age, gender, disability, culture, language, racial origin, religious beliefs or sexual identity.
- The League will treat all suspicions and allegations of abuse and poor practice seriously and will respond swiftly and appropriately.
- To ensure that all member clubs appoint a Club Welfare Officer

The requirements of this post will be in line with FA recommendations which include as a minimum:

- a) obtaining an up to date FA accredited DBS Enhanced Disclosure which must be kept up to date and renewed every 3 years.
 - b) attendance at an FA 'Safeguarding Children Workshop and subsequent resultant certification which must be kept up to date and renewed every 3 years.
 - c) Attendance at an ` FA Welfare Officers Workshop`.
- To encourage all member clubs to attain FA Charter Standard status.
 - To actively encourage people to take advantage of educational opportunities provided by the FA in the area of Safeguarding Children and best practice.
 - To provide a structured network of support to its membership if and when required in areas relating to Safeguarding Children issues.
 - To develop pro-active and positive ethics to support the above aims.
