WELCOME AND THANK YOU

Shropshire Junior Football League would like to give a special thank you to Market Drayton Town FC for hosting another Festival Of Charity Cup Finals at Greenfields Stadium in season 2021/22. These finals were originally scheduled for The New Saints FC, Park Hall Stadium but with their pitch being relaid MDT FC offered their ground without any second thoughts. This is the sixth season of our partnership with the senior club and will see Greenfields Stadium being an excellent setting to close the season for the U15 and U16s 2022 SJFL Charity Cup Finals. SJFL is pleased that MDT FC continues to support junior and community football.

www.pitchero.com/clubs/marketdraytontown

SJFL extends a warm welcome to club officials, managers, players and supporters of the U15 teams from: Prees Panthers and Shrewsbury Up & Comers Hawks and the U16 teams from: SAHA Tornados, Shrewsbury Up & Comers Ospreys, Meole Brace Juniors and Whitchurch Alport Juniors. We trust all teams and supporters will enjoy their finals in the spirit and Code of the Game and offer "Good Luck" to all teams today. The league sends a special thank you to The Georgia Williams Trust - as the League's 'RESPECT' partners - who are pleased to present the "Man of the Match" awards. The Charity Cup finals and match programme would not be possible without the dedicated work and support by the officers of SJFL and Rocano Design and Print. For 2022 SJFL has pledged £750 to support three charities (each receiving a minimum of £250 [#]). Today's finals are sponsoring Derwen College and supporting the FA Heads Up Campaign. We thank all supporters for your charitable donations [#] made today which will be added to the league's pledge.

FUTSAL FOR ALL – DISABILITY FUTSAL FESTIVAL FEB 2022

Shropshire Junior Football League sponsored and facilitated a FOOTBALL FOR ALL Futsal festival to give access and opportunity to disability football teams to play futsal in a controlled, safe and friendly environment. The festival, initiated by the junior league, was organised in partnership with Shropshire Football Association, who invited affiliated disability teams and prepared a compatible futsal programme of games hosted by Shrewsbury Sports Village on Sunday 20th Feb 2022. The junior league funded the event from their charity community account which has supported many worthy charities over the seasons including £2093 donated to Shrewsbury and Oswestry Foodbanks last year during the height of the covid pandemic.

Seven teams from across the county (inc. one from Kidderminster) and over 50 players participated in the futsal festival, with each team playing four games. The junior league provided the futsal qualified referees and at the end of the festival presented every player with a medal to recognise their part in this inaugural event. Given the success and positive feedback, the Shropshire Junior Football League has agreed to continue to promote FOOTBALL FOR ALL – Futsal for Disability Teams by sponsoring further events and will look to host these at Shrewsbury Sports Village.

Why Support Derwen College Charity?

When you donate to Derwen College Charity you support students with learning difficulties and disabilities on their journey to a more independent life.

For over 90 years Derwen College has provided specialist education and care for people with learning difficulties and physical disabilities.

Fundraising enables us to provide opportunities to enhance students' learning and independence skills, and reach their full potential.

Specialist tools and equipment

Many of our students have multiple disabilities that make everyday tasks difficult. Your donation enables us to purchase specialist tools and equipment to enhance independence.

Providing experiences for students

Derwen College provides students with experiences and opportunities that build confidence and broaden horizons. Students embark on Duke of Edinburgh's Awards; take part in competitions; explore new places and discover new hobbies. Our annual student Prom is also supported by Derwen College Charity.

Transport

Vehicles are an essential part of everyday life at Derwen College. Work placements in the community, medical appointments, competitions, new places to visit and explore – our students need to get there! Modified mini buses allow us to provide accessible transport to students who use wheelchairs or have other physical disabilities.

Student accommodation

Many students who study at Derwen College live here too. Providing the right student accommodation for each individual is important.

Learning to look after their personal needs, keeping their home environment clean and tidy, and learning to prepare meals on their own is a big part of life for our students. It prepares them for life after college, and a more independent future.

Donations to Derwen College Charity allow us to upgrade and adapt accommodation to suit the specific needs of our students. Our £1million appeal to upgrade the Agnes Hunt Village bungalows will see significant modernisation of accommodation.

Providing modern home comfort accommodation for students is important to us.

A Bright Future

Derwen College is unique in the variety of work-place training we have on-site for students. Our busy Garden Centre, Garden Café, Orangery Restaurant, Hotel 751 and Karten Print Shop are open to the public and provide invaluable training. These provisions require updating and modifications to ensure they are industry standard. Skills learned in our facilities prepare students for the next stage – work placements in the community.

We regularly speak to industry leaders to ensure our training provisions are up-to-date, appealing to customers and serve as appropriate learning facilities for students.

SJFL dropped off the last of the Christmas Toy donations to the Barnabas Community Centre and Salvation Army (Shrewsbury). The charities were so grateful and thankful for the generous donation of toys and games by the league. "We couldn't have made it a more wonderful Christmas for families without your donations. Thanks to all at SJFL".

The league sends a big thank you to all member clubs who donated toys and monies to the League's Christmas Toy Appeal which raised £700 to buy and donate toys for unfortunate children in hospital and to those families struggling to buy presents for their children at Christmas.

Once again SJFL and our members have shown great kindness for those in times of need and the league will continue to help and support the wider communities through our Charity Work/Funds.

SJFL CHARITY CUP FESTIVAL OF FINALS 2021

This has been another challenging year with the COVID-19 pandemic, not just for grassroots football but for all walks of society, not least our local communities.

When outdoor grassroots football returned in October 2020 all thoughts then were to complete the football season. However, this was not to be as by November we would enter another Covid Lockdown that was to last through the winter and all grassroots football cancelled for the foreseeable future!

The short dark winter days dragged on for weeks/months and it was not until April 2021 that outdoor grassroots football was allowed to restart under strict Government and FA Covid-19 Guidance. Now came the biggest challenge to Shropshire Junior Football League in its 47-year history. How, what and where could the league implement a fixture programme across all 192 teams from U7 to U16 including cup competition fixtures for the U13 – U16s to finish the season on a high note? With only a few league games played since 2021 October, the league management took the decision to null and void the league programme and concentrate on a Charity Cup competition. With unquestionable support from Market Drayton Town FC, Shrewsbury Town In The Community (STITC Ludlow Stadium) and The New Saints FC (Park Hall Stadium) they all agreed to host a festival of finals. The next stage was to find three local worthy charities to promote at these three stadium venues – and this was not too difficult.

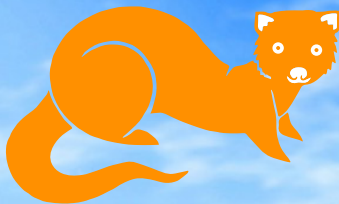

Market Drayton Town FC became the FA Heads Up Campaign and PRISM Telford Charity Finals – £929 raised for this charity

STITC Ludlow became the Shrewsbury Foodbank Plus Charity Finals – £1156 raised for this charity

The New Saints FC became the Oswestry and Borders Foodbank Charity Finals – £937 raised for this charity

A grand total of £3022 was raised and each charity has continued to provide unrivalled support to their communities before, during and more prevalent throughout the pandemic. Read the full story at www.shropshirejuniorleague.co.uk/sjfl-charity-cup-festival-2021

The Georgia Williams Trust

Free your spirit – join in

Charities spring up for many reasons all over the world but we believe The Georgia Williams Trust is just a little different. We are a charity dedicated to providing a lasting long term legacy to an exceptional young lady. Georgia suddenly and unexpectedly lost her life at the end of May 2013 and her spirit has touched not just her own community but people all over the world. With the money raised we will celebrate Georgia's life by enabling young people in her community to access adventure, outdoor activities and volunteering.

The aim of The Georgia Williams Trust is to get young people believing “they can do”, enabling them to have access to adventurous outdoor activities and encouraging them to volunteer. Get out and fly a plane, canoe down the river, climb a mountain or trek up the Wrekin. We will use the Trust fund to get that spirit going and keep it going, she'd love that so “Free your spirit – join in”.

The Georgia Williams Trust is honoured to be The Respect Partners with the Shropshire Junior Football League as it's most apt that we also promote respect in our Trust – this is between others in every way – not just in sports, but in everyday life. The Trust aims to help children and young people from the ages of 11-18 reach their goals in life and looks at how we can get these people involved in as many ways as possible – and perhaps achieve something they didn't think possible.

This is an inspiring venture for both the Trust and League and we are pleased SJFL's badge and that of the GWT are entwined as Respect Partners and the league's **'Respect Awards'** are branded **'The Georgia Williams Trust - respect Awards'**.
